Something very strange starts happening in Nightshade the summer that the eldest Giordano sister, Rose, gets a job working at Dr. Frankens research laboratory. People are starting to see double. Doppelgängers of Nightshade residents are popping up all over town. Daisy, Rose and Poppy think its a coincidence, until the rumors start that their father, who disappeared several years ago, has been spotted in town. Meanwhile, Daisys beau, Ryan is spending all of his time training for football, and like the other guys on the team, hes grown enormous almost overnight.
