## **BOOK SYNOPSIS**

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. In this practical resource, pre- and in-service educational administrators get step-by-step guidance in every aspect of the curriculum development process—from the underlying principles and concepts to the roles of school personnel, the components of the process, technology in curriculum and instruction, and the most up-to-date curriculum issues. An all-new chapter on The Digital Classroom gives readers a look at how technology is changing the classroom environment and helps them understand the new trends that allow today's students to compete successfully in today's global workplace. Included are numerous references to both historic and contemporary works that provide readers with an excellent synthesis of the principles and practices used to create an effective curriculum. 0133155358 / 9780133155358 Developing the Curriculum Plus MyEdLeadershipLab with Pearson eText Package consists of: 0132627515 / 9780132627511 Developing the Curriculum 0133037215 / 9780133037210 NEW MyEdLeadershipLab with Pearson eText -- Standalone Access Card -- for Developing the Curriculum
