BOOK SYNOPSIS

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For courses in Microeconomics. Economics brought to life through real-world application Readers learn best when they see concepts applied to examples from their everyday lives, so Economics Today: The Micro View addresses real, cutting-edge issues while facilitating individual learning. The text shows readers how economics is front and center in their daily routines, while providing them with many ways to evaluate their understanding of key concepts covered in each chapter. The 19th Edition also includes a new emphasis on behavioral economics, along with all-new problems, vignettes, and features that engage readers and help them focus on the central ideas in economics today. Also available with MyLab Economics MyLab™ Economics is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MyLab does not come packaged with this content. Students, if interested in purchasing this title with MyLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.
