BOOK SYNOPSIS

This book consists of three separate studies of George Canning: the man, the politician and the statesman. Against a background of comfortable domesticity, Canning's explosive personality stands out among his contemporaries. He was compulsively ambitious, and the author describes his dramatic struggle for power, from the years of waiting as Pitt's protégé to the climax of a hundred days of fiercely contested supremacy.

GEORGE CANNING POLITICIAN AND STATESMAN - Are you looking for Ebook George Canning Politician And Statesman?
