BOOK SYNOPSIS

Authors Susan Ricci and Terri Kyle have teamed up to deliver a unique resource for your students to understand the health needs of women and children. This new combination book, *Maternity and Pediatric Nursing*, will empower the reader to guide women and their children toward higher levels of wellness throughout the life cycle. The textbook emphasizes how to anticipate, identify, and address common problems to allow timely, evidence-based interventions. Features include unfolding case studies throughout each chapter, multiple examples of critical thinking, and an outstanding visual presentation with extensive illustrations depicting key concepts. A bound-in CD-ROM and a companion Website include video clips and NCLEX®-style review questions.
