BOOK SYNOPSIS

One of the most painfully riveting books of our time. A first hand account of the greatest mass murder in history as told by the active and passive participants in genocide. What is different about this book is that it contains carefully compiled letters, journal entries and voluminous correspondence that prove beyond doubt that more members of the German population than ever before admitted to, knew about the Holocaust while it was happening.

THE GOOD OLD DAYS - Are you looking for Ebook The Good Old Days? You will be glad to know that right now The Good Old Days is available on our online library.
